

## ABOUT UNIVERSITY

Telangana, the 29th state of the Indian Union, located in the south-central region of India on the Deccan Plateau, a landlocked state characterized by undulating terrain, rocky landscapes, and a predominantly semi-arid climate. The state is predominantly drained by two major rivers—the Godavari and the Krishna. As an agrarian economy, Telangana is largely dependent on rain-fed agriculture, with livestock playing a vital role in supporting rural livelihoods and contributing significantly to the state's economy.

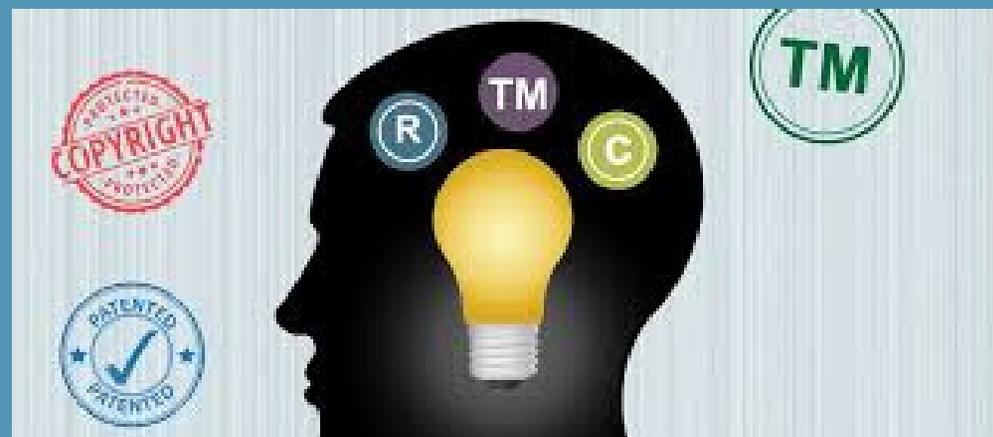

The history of Veterinary Science in the region dates back to the pre-Independence era, when the erstwhile Nizam of Hyderabad established the first Veterinary College in Hyderabad in 1946 as a constituent college of Osmania University. As a part of the Government of India's initiative to reform agricultural education by adopting the land-grant university model, the Andhra Pradesh Agricultural University (APAU) was established in 1964, to integrate teaching, research, and extension in agriculture and allied sciences. In line with this vision, the College of Veterinary Science, Rajendranagar, Hyderabad, was transferred from Osmania University to APAU in 1974.

To further streamline academic focus, a separate university—Sri Venkateswara Veterinary University (SVVU)—was established on 12th June 2005 with its headquarters at Tirupati, Andhra Pradesh, to promote exclusive development in the fields of Veterinary, Animal, and Fishery Sciences. Following the bifurcation of the state in 2014, the Government of Telangana, recognizing the pivotal role of livestock in rural development and the state economy, established the P.V. Narsimha Rao Telangana Veterinary University (PVNRTVU), named after the illustrious son of the soil and former Prime Minister of India, Shri P. V. Narsimha Rao. The university was envisioned to empower farmers, students, and professionals through quality education, need-based research, and effective extension in Animal, Veterinary, Dairy, and Fishery Sciences, thereby ushering in a new era of growth and innovation in Telangana's livestock sector.

## ONE DAY NATIONAL WORKSHOP ON

Protecting and empowering the Inventions & Innovators :  
An Awareness Programme on Intellectual Property Rights

### DATE & VENUE

**29-07-2025 (10:30 AM ONWARDS)**

**Seminar Hall, CVSc, R'Nagar, Hyderabad**

### SUPPORTED BY

**DEPARTMENT OF SCIENCE & TECHNOLOGY (DST)  
GOVERNMENT OF INDIA  
TELANGANA COUNCIL OF SCIENCE & TECHNOLOGY  
(TGCOST)**

**ENVIRONMENT, FORESTS, SCIENCE & TECHNOLOGY DEPARTMENT  
GOVERNMENT OF TELANGANA**

Organized by

**INTELLECTUAL PROPERTY RIGHTS CELL  
P. V. NARSIMHA RAO TELANGANA VETERINARY UNIVERSITY  
RAJENDRANAGAR, HYDERABAD-30**

## ABOUT THE PROGRAM

One day National Workshop on “Protecting and empowering the Inventions & Innovators” is designed to raise awareness and build capacity among research scholars & faculty in the field of Veterinary Science and Animal Husbandry on the importance of Intellectual Property Rights (IPR).

With the growing emphasis on innovation, commercialization of research, and protection of traditional knowledge, this workshop aims to provide insights into the fundamentals of IPR, patent filing procedure and the legal protection of Veterinary innovations. The workshop features expert talks, practical guidance, and interactive discussions to foster a culture of innovation and responsible intellectual property management within the Veterinary academic community.

## ABOUT COLLEGE

The College of Veterinary Science, Rajendranagar, established in 1946 under Osmania University, is one of India's oldest Veterinary institutions. Recognized as a national center by ICAR in 1954, it gained global recognition through collaborations such as the USAID-Kansas State University program. Now under PVNRTVU since the formation of Telangana in 2014, the college continues to excel in veterinary education, research, and outreach from its Rajendranagar campus, operational since 2010.

## RESOURCE PERSONS

1. Dr. R. Kalpana Sastry  
Consultant, Agrifood Innovation expert,  
Former Joint Director, ICAR-NAARM, Hyderabad
2. Dr. Radhika Vangala  
Manager - IPR, BITS Pilani

CHIEF-PATRON  
Prof. M. Gnana Prakash  
Hon'ble Vice-Chancellor  
PVNRTVU

PATRON  
Prof. M. Udaya Kumar  
Dean of Faculties  
PVNRTVU

Prof. Ch. Harikrishna  
Nodal Officer, IPR Cell &  
Director of Research  
PVNRTVU

Prof. A. Sarat Chandra  
Chief Guest of Valedictory Program &  
Registrar  
PVNRTVU

Prof. D. Madhuri  
Organizing Secretary &  
Associate Dean  
CVSc, Rajendranagar

## ORGANIZING COMMITTEE

1. Dr. P. Shivakumar, Associate Professor  
Department of Veterinary Pharmacology & Toxicology
2. Dr. C. Vinaya Sree, Associate Professor  
Department of Veterinary Physiology
3. Dr. Sarin. K. Kunnath, Associate Professor  
Department of Animal Genetics & Breeding

## WHO CAN PARTICIPATE

- Open to PG, Internship students & Faculty from all Departments of Veterinary & Animal Science
- No Registration Fee
- Students and staff will receive participation certificate (Registration and attendance is compulsory)

Registration Link <https://forms.gle/u7K1ch1jpvECYSST6>
